

SHORELINE BAPTIST CHURCH LEADERSHIP COVENANT

Recognizing that being involved in a ministry leadership position involves a greater sense of responsibility and accountability than does church membership and feeling led to serve the Lord in a ministry of my church, I commit myself to God and to Shoreline Baptist Church to fulfill the basic expectations of a church member and to do the following:

1. Understanding the need for unity in my church, I agree:
 - With the church's doctrinal statement.
 - To submit to the policies and practices of the church.
 - To fulfill the specific expectations of my ministry position.

2. Understanding the need for dependable leaders in my church, I will faithfully attend:
 - The worship services of the church and Bible Fellowship as my schedule permits.
 - The regularly scheduled meetings and events related to my leadership position.
 - Special training opportunities that will better equip me for leadership service.

3. Understanding the need to present a consistent testimony for my church, I will abstain from:
 - The abuse of drugs or alcohol.
 - The promotion of abortion or homosexuality.
 - The use of pornography and all sexual sin.

4. Understanding the need for spiritual disciplines, I will advance the work of my church by:
 - Striving to maintain personal and family devotions.
 - Seeking to religiously educate and train my children.
 - Seeking to share my faith as I have opportunity.
